	<p>Week 7 is Harmony Week. Assembly on the Friday and then parents are welcome to stay for morning tea.</p> <p>Week 8 – Interruption free week</p> <p>Reports and potential half-day closure for parent interviews were discussed. It was highlighted that, given parents may need to take time off work, it is important to set the dates promptly and send multiple reminders. A trial of the parent interviews will be conducted, with a reassessment to follow based on parent participation levels.</p> <p>The celebration picnic was discussed, with the observation that it ran more smoothly in previous years. It was suggested to revert to the previous arrangement where students sit with their teachers until the event concludes.</p> <p>Public School review in Week 8, Term 2. No current business plan so some areas may be suggested to be reviewed again in 12 months. To be discussed again in Week 4, Term 2 meeting</p> <p>The year ahead – interruption free weeks, yarning circle official opening – still needs to be painted – SDD already planned for Week 1, Term 2. Will invite other schools to share the cost. SDD for 2026 to be discussed in Term 3/4. JH working on policy updates for parent handbooks and behaviour standards. App list to be uploaded to the website</p> <p>Board positions – KE to update DoE council. JH to run elections this term. Board positions will be held over until the election takes place. KW and CW to complete next training session available.</p> <p>Homework Policy – Age-appropriate homework was discussed. It was noted that individual teachers have varying approaches. There should be a consistent set of guidelines for the whole class, though this may not include extension students. Some homework is currently worded at a high level and needs to be adjusted to be more age-appropriate. Homework will be non-compulsory and rewarded through the Dojo class system.</p>	<p>KE to update DoE website JH to run elections</p>
